

# A message to pastors...

teaching all nations

Dear Pastor,

Thank you for the opportunity to introduce you to the Teaching All Nations program which Dr. Mark Bosje, F.B.M.I. missions director, calls “**a game-changer for world missions.**” Our mission is to provide a Bible institute program **free of charge to missionaries** who choose to train their converts in their own ministry, using the Bible model introduced by Christ in the New Testament gospels. TAN is now being used by missionaries in **Mexico, New Zealand, Ghana, Philippines, Cambodia, England, and Nigeria.**

A missionary recently described Teaching All Nations as the “**missing link between world evangelism and global church planting.**” Our goal in 2015 is to start 25 Bible institutes in local churches overseas to train men to go “**to the next towns.**” (Mark 1:38) Would you consider partnering with us to reach this important goal?

TAN is looking for partners to help **realize the vision** that God has placed on our hearts for the training of men for the ministry around the world. Please pray and consider **what part you can have** in this work.

*“Teaching All Nations is the missing link between world evangelism and global church planting, and is a biblical answer to training men for the ministry.”*

- Dr. Ed Tutton

*“Teaching All Nations provides a simple and practical way to train believers in the ministry of Jesus Christ and ultimately punch holes in the dark with His gospel.”*

- Pastor John Wilkerson
